60th Anniversary Gala

We are celebrating the German American Society of Greater Hollywood's (GAS) 60th Anniversary. At GAS, our mission is to promote German customs, heritage and comradeship for all fellow Americans of all nationalities and cultures, working to preserve the German cultures for our future generation. This mission includes connecting business people from various industries sharing our passion for both German and American cultures.

And we need your HELP to do it in style!

Participating as a sponsor of this exclusive, fun 60th Anniversary celebration delivers the greatest impact and visibility leading up to, throughout, and following our 60th Anniversary Gala. Aligning with GAS will support in enhancing GAS's 2024/2025 programs. Currently, we have 10,000+ event attendees annually, 7,000+ unique visitors to our website annually and 1,500+ newsletter subscribers. Our Gala is anticipated to have 250+ guests.

To give our Members and Non-Members the opportunity to advertise in front of this very exclusive audience, we offer different sponsorship packages.

As you may know, Germany has eight German Consulate Generals in the United States. One of whom is located in Miami. Consul General Christofer Burger was appointed to the Miami Germany Consulate Office in August 2023. GAS is proud to have established a cooperative working relationship with Consul General Burger who is also an invited guest to our 60th Anniversary Gala.
